

Ockerman Elementary Site Based Policy

Ockerman Elementary School Curriculum

Curriculum Guidelines:

1. Be aligned with the ***Kentucky Core Academic Standards*** and designed to help all students master that Core Content.
2. Implement the ***Kentucky Core Academic Standards*** or a council-approved modification of that program.
3. Provide equitable access to a common academic core for all students.
4. Provide support for all students to be able to complete grade level or modified work based on an Individual Education Plan.
5. Reflect the strategies adopted in our School Improvement Plan.
6. Consistently promote student success.

Curriculum Revision:

Recommendations to the council for revisions will be made in the event of one or more of the following:

1. State officials modify the ***Kentucky Core Academic Standards***.
2. Boone County School District modifies district curriculum documents.
3. School Improvement Plan committee identifies a need/s for adjustments.
4. Other stakeholder input or data demonstrates a need to do so.

Policy Evaluation:

We will evaluate the effectiveness of this policy through our School Improvement Planning Process.

Changes to the curriculum shall require the approval of both the Principal and the council.
