

New Haven Elementary School

Our WHY:

Mission

To provide a community where students are challenged, engaged, and independent learners who develop into responsible and productive members of society committed to continuous growth.

Our WHAT:

Vision

To equip every student to embrace and overcome the intellectual, social, and emotional challenges of an ever changing world. We believe every child has the right and responsibility to own their learning, to be empowered to both lead and follow in their academic future, and to positively contribute to their communities.

Our HOW:

Strategy

- * Encourage problem solving development through critical thinking opportunities that allow for productive struggle.
- * Ensure a safe and positive environment for everyone.
- * Establish and plan to achieve individual goals.
- * Equip and inspire parents, teachers, and staff to be models of persistent learning.

WHO we ARE:

Values
